Please complete the following (great if it is typed on a separate piece of paper!): 1. Describe the goals you set for **each** community service project listed in your log. 2. Please reflect on **each** community service project listed in your log. Questions to answer for **each** project include: a. Describe how you achieved the goal(s) you set for the project. b. What would you do differently if you had a chance to do this project again? c. How did planning and participating in this project affect you? In other words, i. Explain how the experience made you feel and why. ii. Discuss your thoughts about your project and any new insights you may have had about helping others. iii. Explain how you think you made a difference. How was God able to use you?

iv. Describe how it impacted your relationship with God.
