

The Junior High & High School Students of
Tualatin Valley Academy
wish to invite you to our

Science Fair

Tuesday, April 13, 2010
5:30pm

The events of the evening will include a benefit supper, model rocket launch, display of student science projects, and science demonstrations. Demonstrations will include student favorites such as the Electric Pickle, Whoosh!, Singing Tubes, Van de Graaff Generator, The Easter Bunny and some new surprises!

A schedule for the evening is planned as follows:

- 5:30-6:30 Supper
- 6:10-7:00 Model Rocket Launch
- 7:00-7:20 Exhibits Open for Viewing
- 7:20-8:00 Demonstrations

The benefit supper will help raise funds to purchase science equipment. A delicious picnic supper of haystacks, drink and dessert will be served for a nominal \$4.00 to help support our science program. Bring your plate of food outside and enjoy the rocket launch!

Please join us for an evening of educational fun for the whole family!
